SUMMARY

I'm Sujon Biswas, a Full-Stack Web Developer building modern, scalable, and high-performance web applications. I specialize in React.js, Next.js, TypeScript, and Tailwind CSS / Bootstrap to create clean, responsive user interfaces. I develop secure backends using Node.js, Express.js, PostgreSQL, MongoDB, and Firebase, with strong Redux and DSA-based problem-solving skills. Trained through Next Level Web Development, Udemy, I deliver clean code, best practices, and reliable results clients can trust.
